Grasses

Name	Description	Details	Photo
Bouteloua gracilis 'Blonde Ambition' grass	Thin, blue-green leaf blades form an upright clump of grass that are topped with horizontal, flag-like golden seed heads.	H 2-3' W 2-3' Zone 4	
Calamagrostis acutiflora 'Karl Forester' reed grass	Wheat-like seed heads with compact habit. Provides great backdrop for flowering perennials. Useful for screening purposes and will not reseed. A good choice for heavy clay soils. Full sun. Medium to wet soils.	H 5' W 1.5-2.5' Zone 4	
Helictotrichon sempervirens Sapphire Blue oat grass	Dense, spikey, dome-shaped clumps of needle thin, blue-gray foliage. Full sun. Well-drained soils.	H 2-3' W 2-3' Zone 4	
Miscanthus oligostachyus 'Purpurascens' flame grass	Silvery flowers emerge early in July and form a shimmering display when back of or side-lit with red fall color.	H 4-5' W 2-3' Zone 4	
Miscanthus sinensis 'Gracillimus' maiden grass	Rounded mounds of fine, silver-veined green leaves. Reddish-colored fan-like plumes emerge in the fall and age to a silvery-white. Golden-yellow fall leaf color. Full sun. Average, well-drained soils.	H 5-6' W 3' Zone 4	

Name	Description	Details	Photo
Panicum virgatum 'Ruby Ribbons' Grass	An ornamental switch grass with showy, smokey purple blooms beginning in July. Beautiful fall color.	H 3-4' W 2-2.5' Zone 4	
Typha minima Dwarf Cattail	Smaller growing cattail or bulrush with stiff blue-green foliage and small brown seed heads in spring and late summer. Does well in moist areas and attracts wildlife. Full sun to partial shade. Will grow in shallow water or wet, boggy soils.	H 12-15" W Varies Zone 3	

Name	Description	Details	Photo
Achillea millefolium 'Heartthrob' yarrow	Strong stems hold bright red blooms above soft blue-green fern-like foliage. Compact, well-branched habit, forming upright clumps. Robust and drought tolerant.	H 18" W 12-18" Zone 3	
Achillea millefolium 'Little Moonshine' yarrow	Bright canary-yellow flower clusters from spring until fall. Compact, petite beauty perfect for small garden spaces.	H 9-12" W 10-12" Zone 4	
Achillea millefolium 'New Vintage Violet' yarrow	Features striking violet flowers with excellent re-bloom. This compact plant holds a neat form and preserves its shape and color long throughout the season.	H 12-14" W 10-15" Zone 4	
Achillea millefolium 'Paprika' yarrow	Blooms large clusters of bright red flowers surrounding a yellow eye. Matures to pink, creating beautiful multi-colored effect. Drought tolerant.	H 30" W 30" Zone 3	
Achillea millefolium 'Peter Cottontail' yarrow	Reminiscent of Baby's Breath with large, ivory-white flowers produced over low-mounding habit of green foliage. Singular well-spaced flowers.	H 18-24" W 28-30" Zone 3	

Perennials

Achillea millefolium 'Pomegranate' yarrow	Long-lasting cherry red, flat-top clusters of flowers. Green, fern-like foliage is disease resistant. Blooms early to late summer. Heat, drought, rabbit and deer tolerant. Attracts butterflies.	H 12-24" W 12-24" Zone 3	
Aegopodium podagraria 'Variegatum,' 'Snow on the Mountain' or 'Bishop's Goutweed'	Dense canopy of green variegated foliage. Small white flowers are produced in midsummer upon leafy stems up to three feet tall. Full sun to part shade. Average soil requirements.	H 8-24" W 12-72" Zone 4	
Ajuga reptans 'Black Scallop'	Rosettes of glossy, rippled foliage turn nearly black in the sun, with fragrant, dark violet flowers appearing in late spring to early summer. Groundcover that adapts to a wide variety of soil and water conditions.	H 3-6" W Varies Zone 3	
Alcea rosea 'Halo Series Cerise' hollyhock	A hardy perennial that forms a bushy clump of rugose green foliage and large, cerise pink flowers with a deep purple halo. Full sun. Average to moist soil conditions.	H 5-6' W 18-24" Zone 3	
Alcea rosea 'Chater's Double Violet' hollyhock	Fluffy double flowers in a rich rosy, purple hue. Attractive to butterflies and hummingbirds. Great perennial for cottage gardens and sunny borders.	H 4-5' W 12-18" Zone 2	
Alcea rosea 'Halo Series Lavender' hollyhock	A hardy perennial that forms a bushy clump of rugose green foliage and lavender flowers with a pink halo. Full sun. Average soil.	H 5-6' W 18-24" Zone 3	

Alcea rosea 'Halo Series Mixture' hollyhock	A striking blend of all the Halo colors.	H 5-7' W 18-24" Zone 3	
Alcea rosea 'Spotlight Series Mars Magic' hollyhock	Tall spikes of satiny, crepe-textured flowers making a fine display in mid-summer. Low mound of foliage. Attractive to both butterflies and hummingbirds. Full sun. Normal, sandy, or clay soil.	H 5-6' W 18-24" Zone 3	
Alcea rosea 'Summer Carnival Mixture' hollyhock	Fluffy double flowers in a wide range of pastel shades. Best at the back of a sunny border. Will reseed themselves for many years. Attracts butterflies and hummingbirds.	H 5-7' W 18-24" Zone 2	
Allium 'Lavender Bubbles' ornamental onion	This allium features dark, dusty purple flowers shaped like globes. Glossy green-blue foliage cluster nicely below the flowers. As the blades grow, they tend to curl, adding dimension to this unique variety.	H 12-14" W 20-22" Zone 4	
Allium 'Medusa' ornamental onion	Nodding buds look like snakes at the tips before straightening into large round clusters of light amethyst purple blossoms. Wavy, glossy, thick green foliage. Attracts butterflies and honeybees. Deer and rabbit resistant. Full sun.	H 20-24" W 10-15" Zone 4	

Allium 'Millenium' ornamental onion	A profusion of large 2-inch-round, bright rosy-purple flower clusters appear on strong stems. Forms a picture-perfect, compact, upright clump of glossy green, with thick and strappy leaves. Full sun. Average or moist, well-drained soils.	H 15-20" W 10-15" Zone 4	
Allium schoenoprasum 'Garlic Geisha' chives	Highly aromatic edible flowers with robust-flavored foliage.	H 12-24" W 12-18" Zone 4	
Allium schoenoprasum 'Rising Star' chives	A worry-free, lavender pink ornamental onion. Blooms in late spring. Drought tolerant and fantastic in containers. Deer resistant. Attracts pollinators.	H 10-12" W 10-12" Zone 3	Alyssum montanum 'Mountain Gold'	Forms a low, trailing mound of silvery-gray leaves, bearing masses of bright yellow flowers in mid to late spring. Drought tolerant once established. Evergreen. Full sun. Does well in dry, normal, or sandy soil.	H 4-6" W 12-18" Zone 2	
Anemone sylvestris Snowdrop	Single white flowers with soft yellow center. Shear to promote re-bloom. Cheerful late spring blooms to attract bees. Full sun to partial shade.	H 12-18'' W 9-12'' Zone 4	

Aquilegia x caerulea 'Origami Blue & White' columbine	Extra-large blue flowers with white centers held upright on compact plants. Attracts hummingbirds and butterflies.	H 16-18" W 12-15" Zone 3	
Aquilegia x caerulea 'Origami Red & White' columbine	Extra-large red flowers with white centers held upright on compact plants. Tolerates wide range of well-drained soil.	H 16-18" W 12-15" Zone 3	
Aquilegia x caerulea 'Kirigami Red/White' columbine	Delicate upright stems atop a bushy mound of deep-cut green foliage sporting vibrant, rich, red and white upward-facing flowers with delicate spurs.	H 12-14" W 12-20" Zone 4	
Aquilegia x caerulea 'Kirigami Deep Blue /White' columbine	Delicate upright stems atop a bushy mound of deep-cut green foliage sporting large, deep blue and white upward-facing flowers with delicate spurs.	H 14-24" W 12-20" Zone 4	
Aquilegia x caerulea 'Kirigami Rose/Pink' columbine	Bi-colored upward facing flower held on tall stems. Blooms mid to late spring. Prefers afternoon shade.	H 14-24" W 18" Zone 4	

Aquilegia x caerulea 'Swan' or 'Colorado' violet/white columbine	Large violet and white flowers atop attractive clumps of delicate foliage. Blooms late spring to early summer and prefers well-drained soil in partial shade.	H 12-24" W 15-18" Zone 3	
Archtostaphylos uva-ursi Massachusetts kinnikinnick	Very cold-hardy groundcover. Clusters of 2-inch, bell-shaped, pink flowers grow off spreading foliage. Red berries follow the blooms that last into winter. In the fall, foliage changes to a red-gold tint. Needs partial to full sun.	H 12" W 10-15" Zone 2	
Artemesia schmidtiana silvermound	Soft, feathery, silver leaves grow into compact, cushion-like mounds. Does best in full sun. Average, well-drained soil.	H 10-12" W 12-32" Zone 3	
Asclepias tuberosa Butterfly Weed	A hassle-free perennial with three months of tangerine orange blooms followed by green fruits filled with silvery-white, silky seeds. Excellent long-lasting cut flower. Breaks dormancy late. High drought tolerance. Full sun. Average, dry to medium, well-drained soils.	H 1-2.5' W 1-1.5' Zone 3	
Aster 'Grape Crush'	Large, round mound of densely packed rich purple flowers above dark green foliage early to mid-fall.	H 26-30" W 40-44" Zone 3	

Astilbe arendsii 'Bridal Veil'	Brilliant white florets rise on loose, arching plumes. Blooms early in the season and prefers full to partial shade. Deer resistant.	H 18" W 36" Zone 3	
Astilbe chinesis 'Vision in Red'	Crimson flowers with hints of fuchsia. Blooms sit on smooth red stems with reddish green foliage. Drought tolerant.	H 24" W 12-18" Zone 4	
Aubrieta 'Audrey Deep Purple' rock cress	Compact, mat-forming, evergreen perennial with small gray-green leaves and short racemes of four-petal, deep purple-blue flowers in spring. Full sun but will tolerate part shade. Prefers rocky, sandy, dry spots.	H 3-6" W 12-14" Zone 4	
Baptisia australis Blue false indigo	Showy indigo-blue flowers carried on tapering spikes up to one ft tall held just above dense, bushy mounds of soft blue-green leaves. Black seed pods are present from fall into winter. Full sun to part shade. Dry to medium, well-drained soil.	H 4' W 3-4' Zone 3	
Baptisia hybrida 'American Goldfinch' false indigo	Very floriferous, producing loads of brightly colored spikes for many weeks. Produces round seed pods in the fall. Requires minimal maintenance. Deer resistant. Full sun to part shade. Average soil.	H 3-3.5' W 4.5-5' Zone 4	

Baptisia 'Grape Taffy'	Naturally compact size. Spike of deep reddish-purple flowers appear in early summer accented by a buff yellow keel. Attractive green foliage.	H 2-2.5' W 2.5-3' Zone 4	
Baptisia 'Indigo Spires'	Densely branched, fully rounded clump of glaucous green foliage. 12- to 15-inchlong spikes of deep violet purple flowers accented by a yellow keel are born on all sides of the rounded clump in early summer. Secondary flower spikes extend flowering time into midsummer.	H 3.5-4' W 3.5' Zone 4	
Baptisia 'Pink Lemonade' false indigo	Soft yellow flowers turn to dusty raspberry purple as the flowers age. Both colors appear on the plant at the same time. Blooms late spring to early summer.	H 3½-4' W 46-48" Zone 4	
Baptisia 'Royal Purple' false indigo	Dark violet-purple blooms saturated with color. Dramatic flower spikes with appealing visual display. Full sun.	H 3-4' W 3-4' Zone 4	
Baptisia 'Sparkling Sapphires' false indigo	Vivid blue flowers appear atop the compact clump of green-blue foliage. Blooms in the spring. Part sun to full sun. Easy to maintain. Smaller in size, perfect for urban landscapes.	H 30-36" W 30-36" Zone 4	

Baptisia Twilite Prairieblues™ false indigo	Deep purple buds open to smoky violet flowers with lemon yellow keels. Long-lasting flowers appear on upright spikes from late spring to early summer.	H 3.5-5’ W 4-5’ Zone 4	
Bergenia cordifolia ‘Red Beauty’	Evergreen groundcover for sun or shade. Shiny, leathery, paddle-shaped leaves are green in summer. They turn burgundy in fall and winter. Flowers are bright reddish-pink color that provide pollen for bees. Prefers moist soil. Blooms in spring. Full sun to partial shade.	H 12-15’’ SP 12-15’’ Zone 3	
Bergenia cordifolia ‘Winterglut’/ ‘Winter Glow’ Bergenia	Clump-forming perennial that is primarily grown as a ground cover. Features large rosettes of leathery, glossy, rounded, dark green leaves that are heart-shaped at the base. Reddish fall and winter foliage color. Part shade to full shade. Prefers average, medium well-drained soils.	H 12-18” W 12-18” Zone 4	
Brunnera macrophylla ‘Jack of Diamonds’ False forget-me-not	Huge 9-10-inch leaves with heavy silver overlay with vivid, wide, dark green veining pattern. Baby blue forget-me-not-like blossoms are held in clusters above foliage.	H 14-16” W 28-32” Zone 3	

Callirhoe involucrata 'Wine Cups' mallow	Best marked as long blooming, native groundcover that attracts butterflies but is not favored by deer. Very showy spiller for retaining walls or bright color for border fronts. Cup shaped, magenta flowers shine brightly over the entire growing season atop lush green, deeply dissected leaves. Native. Full sun.	H 6-12" W 6-36" Zone 4	
Cerastium tomentosum Snow in Summer	Flowering is profuse, with blooms that are silvery white, and star shaped. Showy, silver grayish-green foliage creates an attractive ground cover.	H 6-12" W 12-18" Zone 3	
Chelone Lyonii 'Pink Temptation' and 'Hot Lips' turtlehead	Shiny green leaves topped with pink turtle-shaped flowers in late summer and early fall. Adaptable to most types of soil that stay medium moist or wet. Attracts bees, butterflies and hummingbirds. Deer resistant.	H 12-18" W 12-18" Zone 3	
Chrysanthemum 'Mammoth Red' daisy	Bright red flowers with orange undertones and golden yellow centers bloom from late summer through fall. They rest on strong, dark green stems above foliage. Attracts butterflies. Full sun.	H 16-18" W 16-18" Zone 3	

Perennials

Chrysanthemum 'Mammoth Lavender'	This rounded perennial features vibrant, lavender pink blooms in the late summer. Foliage is densely packed into a neat bundle of incredible color. Perfect for borders, landscape designs, and patio containers.	H 14" W 20" Zone 3	
Chrysanthemum 'Mammoth Yellow Quill'	Semi-double, bright yellow flowers with unique spoon-shaped ray florets. Blooms late summer. Selected for their hardiness, vigor, and mammoth size.	H 14" W 20" Zone 3	
Coreopsis verticillata 'Zagreb'	Compact plant forming a gorgeous mound of finely divided leaves. Blooms continuously from early to late summer, covered in bright, golden yellow blossoms.	H 12-18" W 18-24" Zone 1	
Delosperma 'Wheels of Wonder - Fire Wonder' ice plant	Big, vibrant orange, red-edged flowers with yellow centers that bloom from spring until fall. Flowers cover fast-spreading succulent foliage, creating a nice groundcover. Heat, humidity, and drought tolerant.	H 2-3" W 24" Zone 4	
Delphinium cultorum 'Magic Fountains' and 'Dark Blue with White Bee'	Intense, regal purple-blue hues with sparkling white eyes. A compact mound of deeply cut foliage forms around the exquisite, elegant flower spikes. Blooms early to late summer in full sun to mostly sun.	H 30-35" W 18-23" Zone 3	

Delphinium cultorum 'Magic Fountains Mixture'	A series of dwarfs that don't need the special attention of staking. Spikes of dark blue, pink, and white flowers with dark centers. Great for the back of the border.	H 30" W 12" Zone 3	
Delphinium Cultorum 'Magic Fountains' and 'Sky Blue with White Bee'	Plants form low mounds of deeply cut green leaves, bearing tall spikes of satiny flowers. This variety has soft, sky-blue petals with a white center. Prefers full sun and does well in sandy or clay soil types. Blooms from early summer to mid-summer.	H 30-35" W 18-23" Zone 2	
Delphinium elatum 'Black Knight'	This exquisite delphinium signifies elegance with its rich, indigo-colored blooms that appear from early to late summer. The elegant, densely packed florets rise above the lacy foliage.	H 4-6' W 18-24" Zone 3	
Delphinium elatum 'King Arthur'	Long life span as vase flowers. Royal violet-purple blooms cluster in handsome florets in the summertime. Perfect border flower. Prefers full sun. Attracts pollinators.	H 4' W 18-24" Zone 3	
Delphinium elatum 'Guardian Blue'	Mid-sized perennial with sturdy flower spikes densely packed with double, rich dark-blue florets adorned with white bees. Blooms for weeks from early to mid summer.	H 30-39" W 10-12" Zone 4	

Delphinium 'Rose White Bee'	Compact plant standing 20 inches tall when flowering. Fully double blooms of dusty rose with a white center.	H 14-18" W 14-18" Zone 4	
Dianthus Pretty Poppers™ 'Cute as a Button'	Semi-double, light pink flowers blossom in the early summer. Serrated edges of the petals and a deep red eye give this flower a little flare. Does well in full sun to partial shade. Attracts butterflies.	H 6-8" W 14" Zone 4	
Dianthus Pretty Poppers™ 'Double Bubble'	This pretty, petite plant features double, medium pink flowers that rise daintily above blue green foliage. Abundantly produces flowers from early summer to early fall. Attracts butterflies.	H 6-8" W 6-8" Zone 4	
Dianthus Pretty Poppers™ 'Electric Red'	This plant grabs your attention with its dramatic red color, serrated edges, and contrasting blue green foliage. Excellent for an accent piece, containers, edging, fragrant flowers, mass planting, etc. Full sun to partial shade.	H 8-10" W 16" Zone 4	
Dianthus Pretty Poppers™ 'Goodie Gumdrops'	Semi-double, fuchsia pink flowers with a red eye. Blue-green foliage. Deer resistant pollinator.	H 8-10" W 16-18" Zone 4	

Dicentra spectabilis Pink Bleeding Heart	Forms a large mass of fresh green leaves topped with arching sprays of large, puffy, heart-shaped, rose-pink flowers with white tips. May go summer dormant in some climates.	H 30-36” W 30-36” Zone 3	
Dicentra spectabilis ‘Alba’ White Bleeding Heart	White heart-shaped flowers and lime-green foliage. Tall stems emerge and produce dangling clusters of blossoms in early spring. Repeat bloom is likely in cooler autumn weather. Spreads into large clumps when planted in loose, moist soil.	H 36” W 36” Zone 3	
Dicentra spectabilis Valentine®	Graceful perennial producing dozens of arching flower stems adorned with dangling, heart-shaped, rich scarlet-red flowers with protruding white petals. Great for shaded borders or woodland gardens.	H 12-24” W 12-24” Zone 3	
Doronicum orientale Leonardo™ Compact ‘Little Leo' leopard’s bane	Versatile and easy to grow, with brilliant yellow daisies. A compact selection that thrives in sunny flowering borders as well as under trees and shrubs.	H 10-12” W 10-12” Zone 2	
Echinacea Dark Shadows™ coneflower	Upright, glowing watermelon-pink flowers with chocolate brown stems held in perfect pattern. Dense pine-green foliage.	H 10-12” W 14” Zone 4	

Echinacea Double Scoop™ Cranberry coneflower and Mandarin coneflower	4-5-inch cranberry-red double blossoms are non-fading on sturdy upright stems. Butterfly attractor.	H 24-26” W 18-24” Zone 3	
Echinacea ‘Green Twister’	Two-tone petals are a combination of vivid pink and pistachio green around a rust-colored cone. Flowers profusely on multi-branched stems from late June until frost. Deer resistant.	H 40” W 12-24” Zone 4	
Echinacea ‘Moab Sunset’	A semi-double coneflower producing non-stop blooms in the brightest of oranges and orange reds from summer to frost. This color is beyond intense and not to be planted by roadsides to avoid distracting drivers while they text about this plant.	H 24-26” W 18-24” Zone 3	
Echinacea purpurea ‘PowWow White’ coneflower	Big, pure white flowers with yellow-gold centers brighten the garden from early summer to fall. Forms a neat, compact mound with sturdy upright stems that need no deadheading.	H 16-20” W 12-16” Zone 3	
Echinacea purpurea ‘PowWow Wild Berry’ coneflower	Fade-proof, rosy-purple flowers from early summer right into fall, without deadheading. Stays compact and tidy in the landscape. Highly adaptable; tolerates poor soil, heat, humidity, and even drought, once established.	H 16-20” W 12-16” Zone 3	

Eryngium planum 'Blue Glitter' sea holly	'Blue Glitter' is particularly noted for producing an abundant crop of "glittering" steel blue flower heads on heavily branched stems throughout summer. Although developed at least in part for the cut flower industry, this cultivar makes an excellent addition to the home garden.	H 2-3' W 1-2' Zone 4	
Eupatorium dubium 'Baby Joe' Joe Pye weed	Blooms heavily with dome-shaped heads of mauve pink flowers on dark purple stems. Great pollinator plant late in the season. Thrives in moist areas. Nativar. Blooms late summer into fall. Full sun to part shade.	H 2-3' W 1-2' Zone 3	
Euphorbia polychroma cushion spurge	Clump-forming perennial that typically grows in a dome. Oblong, medium green leaves. Cymes of inconspicuous greenish flowers bloom at the stem ends in spring. Subtended by long-lasting yellow bracts. Leaves turn red in the fall.	H 12-18" W 12-18" Zone 4	
Fragaria x ananassa 'Tristan' strawberry	Produces showy, ruby red flowers along with delicious, medium-sized strawberries. Thrives in rich, well-drained potting soil and full sun.	H 10-12" W 1-2' Zone 4	
Matteuccia struthiopteris native ostrich fern	Dark green, pinnate fronds are shaped like ostrich plumes, being much wider at the top and tapering down to the soil line. Gold-bronze in fall and. Need plenty of space to grow.	H 3-6' W 5-8' Zone 3	

Gaillardia aristata 'Arizona Sun'	Bold 4-5-inch fiery orange-red blooms tipped by a ring of rich yellow. Uniform growth habit. Blooms early summer into fall. Very hardy.	H 12-15" W 10" Zone 2	
Gaillardia aristata 'Spintop Head Orange Halo'	Large, flat, richly hued orange flower with toothy, yellow-tipped petals from spring to fall.	H 12" W 12" Zone 3	
Gaillardia aristata 'Spintop Yellow Touch'	Large, flat, richly hued red flower with toothy, yellow-tipped petals from spring to fall.	H 12" W 12" Zone 3	
Galium oderatum sweet woodruff	A vigorous groundcover for moist, shady areas. Tiny, white, star-shaped flowers appear above a carpet of finely cut, green leaves.	H 12" W 12-23" Zone 3	
Gentiana 'True Blue' and 'Blue Cross'	Long bloomer with true royal-blue flowers nestled among glossy green leaves lining sturdy stems. Attracts butterflies and hummingbirds.	H 24-30" W 12-18" Zone 4	

Geranium x 'Boom Chocolatta'	Beautiful chocolate bronze foliage with purple blue blooms produced nearly all summer long. Deer resistant.	H 24-26" W 28-30" Zone 4	Geranium x 'Brookside' cranesbill	Forms a compact clump of small, deeply lobed green leaves that turn vivid red orange in fall. Lavender-blue flowers with a tiny white eye and deep purple veining are produced over a long period.	H 18-24" W 24-28" Zone 4	
Geranium x 'Johnson's Blue' cranesbill	Vivid periwinkle blue, 2-inch-wide flowers. The finely cut green leaves quickly form wide clumps. Prune after flowering for repeat bloom.	H 15-18" W 18-24" Zone 4	
Heliopsis 'Bleeding Heart' and 'Fire Twister' false sunflower	Flowers open fire red at first, then bleed to orange red starting at the tips of petals and ending in golden orange. Healthy, dark purple leaves have dramatic black stems. Blooms from July to October.	H 47" W 24-36" Zone 3	
Heliopsis helianthoides 'Summer Sun' false sunflower	This beautiful perennial puts on a show with its semi-double bright gold flowers that reach a maximum of 3 inches in diameter. This plant is very heat tolerant and is excellent for the back of the flower border due to its height.	H 36" W 24-30" Zone 3	

Heliopsis helianthoides 'Summer Nights' false sunflower	Golden yellow flower with mahogany center, deep red stems, and red-tinged foliage. Long-blooming perennial.	H 4' W 2-3' Zone 3	
Heliopsis helianthoides 'Tuscan Gold' false sunflower	This plant is heat tolerant, blooms throughout summer into fall, and prefers full sun. Native cultivar. Great cut flowers. Outstanding garden performance and disease resistance. Flower is golden yellow and sits atop sturdy stems above the dark green foliage.	H 24-36" W 20-24" Zone 3	
Hemerocallis 'Black Ambrosia' daylily	This celebrated daylily is known for its deep purple, 4½-inch blooms with green throats, as well as its graceful, recurved form.	H 16-20" W 18-24" Zone 3	
Hemerocallis 'Born to Run' daylily	Rich rosy-red flowers with a creamy yellow, ruffled picotee edging. Narrow pale pink watermark appears above the lime green throat.	H 24" W 18-24" Zone 3	
Hemerocallis 'Cosmic Struggle' daylily	Stunning, intense, rich wine-purple flowers lined neatly with lemon yellow picotee.	H 26" W 18-24" Zone 3	

Hemerocallis 'Desert Flame' daylily	Large 5½-inch, flaming red-orange blossoms are produced on this vibrant, reblooming daylily. Daylily expert Arthur Kroll calls 'Desert Flame' "the most beautiful in its color class, a terrific daylily."	H 36" W 18-24" Zone 3	
Hemerocallis 'Double Pardon Me' daylily	Brilliant, deep burgundy color with many petals.	H 16-18" W 18-24" Zone 3	
Hemerocallis 'Frosted Vintage Ruffles' daylily	Gorgeous ribbed and ruffled creamy blooms with pink edges and yellow green throat.	H 24" W 18" Zone 3	
Hemerocallis 'Lacey Doily' daylily	Double peach flowers on strong upright stems. Perfect for any sunny landscape. Deer resistant and low maintenance.	H 18-20" W 24-48" Zone 2	
Hemerocallis 'Little Business' daylily	Raspberry red, 3-inch flowers on petite 12-15-inch stems make 'Little Business' perfect for edging a full sun or partially shaded border or pathway or for growing in a container. Early to midsummer blooms are often followed by repeat blooms that last until fall.	H 12-18" W 12-18" Zone 2	

Hemerocallis 'Moroccan Sunrise' daylily	Deep rose-pink petals that surround dramatic, ivory yellow throats. Tolerant of a wide range of conditions and willing to spread and naturalize its showy blooms wherever you let it.	H 18-20" W 18-24" Zone 2	
Hemerocallis 'Night Whispers' daylily	Lightly ruffled 3½-inch bright purple flowers with yellow-green throats and a fine fragrance. Attracts butterflies.	H 24" W 18" Zone 3	
Hemerocallis 'Pardon Me' daylily	Cranberry red, ruffle-edged petals with a narrow yellow watermark and bright green throat.	H 12-24" W 12-24" Zone 3	
Hemerocallis 'Pink Wing' daylily	Colorful, reblooming pink and cream flowers with dark pink halo and yellow throat. Blooms early and steadily all season long.	H 15-18" W 12" Zone 4	
Hemerocallis 'Raspberry Ruffles' daylily	Raspberry Ruffles is a must-have for any daylily lover! Pale pink, ruffled petals with thin streaks of burgundy open to reveal a dramatic two-toned raspberry and lime-green throat.	H 16-20" W 16-20" Zone 3	

Hemerocallis 'Rock Solid' daylily	Light mauve flowers with a wide, dark purple eye and matching dark purple picotee edge. High bud count and well-branched.	H 27" W 18-24" Zone 3	
Hemerocallis 'Ruby Stella' daylily	Reliable bloom almost all summer long. Ruby red with a bright yellow throat, open wide. Appears in profusion from about mid-July until early autumn. The leaves are narrower compared to other hybrids, medium green, deciduous, and form a dense clump.	H 12-18" W 18-24" Zone 3	
Hemerocallis 'Sound of My Heart' daylily	Five-inch pastel pink flowers with a very wide, wine-purple eye and patching picotee edge on ruffled margins.	H 28" W 18-24" Zone 3	
Hemerocallis 'South Seas' daylily	Five-inch coral tangerine flowers with very distinctive coloring and beautifully ruffled edges. Produces 30–35 buds. Award winner.	H 30" W 18-24" Zone 3	

Hemerocallis 'Stella de Oro' daylily	Bright gold flowers bloom profusely in early summer and continue blooming into early fall.	H 15" W 18-24" Zone 3	
Hemerocallis 'Storm of the Century' daylily	Reblooming daylily with tall stems of abundant trumpet shaped 5¾-inch flowers. Ruffled, royal purple petals accented by golden edges contrast with a bright green throat.	H 28" W 24" Zone 3	
Hemerocallis 'Storm Shelter' daylily	Huge, deep mauve-colored blossoms with an enormous, deep eggplant-purple eye extending near the edge of the petals. Flowers boast heavy substance that stands up to adverse weather.	H 24" W 18-24" Zone 3	
Hemerocallis 'Strawberry Candy' daylily	This 'Strawberry Candy' variety has rose-pink petals with ruffled edges, strawberry-colored centers and yellow-green throats. Prefers full sun, but also does well with partial shade. Reblooms in late fall after its first bloom in early to mid summer.	H 22-26" W 12-24" Zone 3	
Hemerocallis 'Wine Delight' daylily	A striking, dense clump of grassy foliage with upright stems that produces lots of buds that open to small wine-red flowers. Blooms mid-summer. Great in masses, border plantings or containers. Drought tolerant once established. Attracts butterflies.	H 16-20" W 16-20" Zone 3	

Heuchera 'Black Pearl' coral bells	Forms an incredibly dense habit of shiny, jet-black leaves with scalloped, ruffled edges. Leaves have rosy-purple undersides. Most produce cream flowers in midsummer. Easy to grow.	H 8-10" W 18-20" Zone 4	
Heuchera 'Berry Timeless' coral bells	This coral bell just keeps on blooming! Dainty masses of small pink flowers that age to a warm, rosy-pink sway over compact mounds of white-marked green leaves. Blooms start in early summer and keep blooming until frost. It will soften your shady garden spots.	H 8-10" W 18-20" Zone 4	
Heuchera 'Forever Red' coral bells	Ruffled leaves, with reddest color during cooler temperatures. This plant features 14-inch-tall flower spikes with white flowers that appear in midsummer. It is a vigorous grower and prefers partial shade.	H 7" W 14" Zone 4	
Heuchera sanguinea 'Ruby Bells' coral bells	Clump-forming. Typically forms a basal foliage mound. Showy, sweetly fragrant, bell-shaped, deep pink to red flowers bloom from late spring to early summer.	H 12-18" W 12-18" Zone 3	
Heuchera 'Zipper' coral bells	Large, heavily ruffled leaves changing from orange to amber and showing magenta backs. Short sprays of small white bell flowers in summer.	H 8" W 12-18" Zone 4	

Hosta 'Big Daddy'	Icy blue leaves grow in a mound. Pale lavender flowers in July. This variety is suitable for planting in containers or tubs.	H 1-2' W 2-3' Zone 3	
Hosta 'Blue Angel'	A giant, blue-leaved hosta that grows in a mound to 36 inches tall and to 48 inches wide.	H 36" W 48" Zone 3	
Hosta 'Brim Cup'	Dark green, lightly corrugated leaves accented with wide, streaky margins form unique cups.	H 12-14" W 14-18" Zone 3	
Hosta 'Dancing Queen'	Emerges bright yellow and remains yellow all season long. The large leaves have a prominent pie-crust edge, adding even more pizzazz.	H 18" W 30" Zone 3	

Hosta 'Fire and Ice'	Variegated hosta with slightly twisted leaves that feature white centers with green margins. Lovely lavender flower stalks with white scapes rise above the foliage throughout summer.	H 14-16" W 12-24" Zone 4	
Hosta 'Lakeside Paisley Print'	Features thick, heart-shaped leaves with very wide, wavy, green margins. Narrow, creamy white markings and light lavender flowers.	H 10" W 22-24" Zone 3	
Hosta 'Minuteman'	Dark green leaves with wide white margins. Pale lavender flowers. Dark green color in the center creates a drastic contrast that sticks out in any landscape. This is a vigorous grower that fills out in a rounded shape.	H 18" W 24" Zone 3	
Hosta montana 'Aureomarginata'	Huge, dark green leaves with wide, irregular gold margins holding their color all season long. Tightly clustered pale lavender flowers appear on 40-inch spikes midsummer.	H 27" W 48" Zone 3	
Hosta 'Night Before Christmas'	Eight-inch by 3-inch leaves have creamy white centers that change to pure white by midsummer with wide, dark olive-green edges.	H 1-1.5' W 2.5-3' Zone 3	

Hosta 'Patriot'	Tall mound of large, variegated, oval, basal leaves with deep green centers and wide, irregular, white margins. Bell-shaped lavender flowers appear in summer.	H 12-18" W 24-30" Zone 3	
Hosta ventricosa 'Wide Brim'	Dark green leaves and buttery yellow margins. Prefers full to partial shade. Attractive buds open to reveal pale lavender flowers.	H 12-18" W 24-30" Zone 3	
Hosta 'Paul's Glory'	Absolutely stunning variegated foliage has deep green margins with creamy yellow centers that turn white in summer. Highlights the shaded garden and is especially beautiful planted with astilbe or ferns. Both foliage and lavender-colored flowers are lovely in bouquets.	H 1-2' W 3-4' Zone 3	
Hosta 'T Rex'	An enormous hosta with a lush foliage mound of epic proportions. This garden giant produces extremely large, green leaves. Relatively slow growing, given time and growing room in a shady spot, it is certain to become king of the garden	H 3' W 6.5' Zone 2	

Iris ensata 'Variegata' iris purple and pink varieties, including batik	This Japanese iris is a variegated variety with attractive silvery foliage and beautiful flowers. The dark purple flowers have a red sheen and a bright golden eye. Wet-soil tolerant.	H 2-3' W 1-2' Zone 4	
Iris germanica 'Black Dragon'	Upright, strap-like gray-green leaves with erect stems bearing large, ruffled, dark purple and black-flushed flowers.	H 36" W 12-24" Zone 3	
Iris germanica 'Champagne Elegance'	White with contrasting apricot ruffles. Profuse bloomer with 7-10 blooms per stem. Award winner.	H 2-3' W 1-2' Zone 3	
Iris germanica 'Dusky Challenger'	Silky, rich-purple flower with impeccable ruffled form and beautifully branched stem.	H 40" W 18" Zone 3	
Iris germanica 'Glowing Seraphin'	Beautiful white petals with golden yellow throat.	H 36" W 12-18" Zone 3	

Iris germanica 'Immortality'	Delicately ruffled, pure-white blooms with soft, lemon-yellow beards. 'Immortality' is a fragrant, medium-sized iris with large blooms.	H 30" W 18-24" Zone 3	
Iris germanica 'Maid of Orange'	Striking bearded iris with creamy orange flowers with paprika-colored beards. Vigorous grower and heavy bloomer.	H 24" W 12" Zone 3	
Iris germanica 'Morning Show'	A connoisseurs's iris. Uniquely colored blooms, the upper and lower petals are a deep, dark, red-purple color resembling a ripe plum.	H 24" W 12" Zone 3	
Iris germanica 'Skyfire'	Golden orange flowers with bright orange beards and a soft fragrance. Perfect for growing in a mixed herbaceous border or gravel garden, and makes an excellent cut flower.	H 24-36" W 12-24" Zone 3	

Iris germanica 'Summer Olympics'	A reblooming bloom with bright yellow upright petals. The downward petals are light yellow and fade to a center of white surrounding lemon-yellow beards. This elegant bloomer is among the first bearded iris to bloom in the mid-spring and will rebloom again throughout the summer. Lightly fragrant too.	H 24-36" W 12-24" Zone 3	
Iris germanica 'Superstition'	Dark purple, almost black blossoms of velvet. Award winner.	H 30-32" W 12-24" Zone 3	
Iris sibirica 'Butter & Sugar'	Creamy white standards and butter-yellow falls. Siberian iris have medium-sized flowers on sword-like stalks. Blooms profusely and is spectacular when planted in masses. Very reliable, they first flower in June, and this variety has been known to rebloom.	H 28" W 20" Zone 3	
Iris sibirica 'Caesar's Brother'	Clump-forming iris with stunning, deep velvety-violet flowers.	H 3-4' W 2' Zone 3	

Iris sibirica 'Over in Gloryland'	Dark blue-purple petals contrast with large yellow signal marks. Blooms midseason with no fragrance or re-blooming.	H 34" W 18" Zone 3	
Iris sibirica 'Sunfisher'	Light yellow standards with deeper yellow falls early to midsummer.	H 28" W 18-24" Zone 3	
Lamium maculatum 'Purple Dragon' dead nettle	Small silver leaves with a wide green edge and clusters of deep magenta-purple flowers. Flowers in spring and continues off and on until fall. Fairly tolerant of dry shade once established.	H 6-8" W 24-36" Zone 2	
Lavandula x intermedia 'Grosso' lavender	Popular hybrid lavender for herb gardens. Semi-woody and typically grows in a shrubby mound. Both foliage and flowers are highly aromatic. Prefers hot, dry weather.	H 2-2.5' W 2-2.5' Zone 4	
Lavandula intermedia x 'Phenomenal' lavender	Extremely fragrant, dark flower spikes with attractive foliage. Very hardy, disease resistant, deer resistant.	H 24-30" W 18-24" Zone 4	

Leucanthemum x superbum 'Alaska' Shasta daisy	Broad 3-inch-wide flowers are pure white with yellow centers. Long stems perfect for cutting. The hardiest strain of Shasta available.	H 32" W 18-24" Zone 3	
Leucanthemum 'Mount Hood' daisy	New! Exceptionally large, double flowers composed of ice-crystal-like petals reblooming and overall great vigor. Multiple layers of blooms extend the season. Forms a perfect mound.	H 16" W 16" Zone 4	
Leucanthemum 'Polaris' daisy	Tallest selection of daisy with large, single flowers with white petals surrounding a yellow center.	H 2-3' W 1-3' Zone 4	
Leucanthemum x superbum 'Snowcap' daisy	Pure white 2-3-inch single flowers produced in abundance atop bushy mounds of foliage. Sturdy, uniform habit.	H 12-15" W 12" Zone 4	Leucanthemum 'Whoops-a-Daisy'	Forms an exceptionally dense, rounded mound of dark green foliage blanketed by 3-4-inch white flowers with gold centers.	H 15-18" W 22" Zone 4	

Lewisia 'Ruby Red'	Dark pink, star-shaped flower clusters form a low rosette of tough leaves. Flowers first year. Drought tolerant once established.	H 5-7" W 6-8" Zone 4	
Liatris spicata 'Kobold' Blazing Star Gayfeather	Bright rosy-lavender flower wands open from top to bottom. Narrow, opposite leaves are up to 10 inches long at the base of the plant and decrease in length up the stems.	H 18-30" W 12-16" Zone 3	
Ligularia hybrida 'Little Bottle Rocket'	Robust grower sporting bright yellow flower spikes in the summer. Large, thick, serrated leaves form a compact clump.	H 28-34" W 24-28" Zone 4	
Lilium asiatica 'Golden Matrix'	Golden lilies with dark freckles begin to bloom in the summer. The petals are wide and funnel-shaped atop long stems. Thrives in full sun to slight shade.	H 12-18" W 9-12" Zone 3	
Lilium asiatica 'Matrix'	Spectacular, upward-facing, medium-sized, bright-orange fragrant flowers. Grows best with morning sun and afternoon shade. Blooms early to late summer.	H 12-18" W 9-12" Zone 3	

Lilium asiatica 'Red Matrix'	Medium-sized, bright-red, fragrant flowers. Grows best with morning sun and afternoon shade. Blooms early to late summer.	H 12-18" W 9-12" Zone 3	
Lilium 'Tiny Bee'	Showy, bright yellow flowers with black spots rise on strong stems above dark green compact foliage. Early bloomer.	H 10-12" W 10-12" Zone 3	
Lilium 'Tiny Diamond'	Large, up-facing rose-red flowers with white centers. Dramatic addition to a hot color theme.	H 12-16" W 10-12" Zone 3	
Lilium orientalis 'Starfighter' and 'Stargazer'	Beautiful 7-inch purplish-red flower adorned with dark spots and white ruffled edges exuding an exotic perfume. Abundant blooms, up to 8 per sturdy stalk. Blooms mid to late summer.	H 3' W Varies Zone 4	Lupinus polyphyllus Mini Gallery™ 'Blue Bicolor'	Compact, floriferous early bloomer of white to purple cones.	H 14-16" W 7-9" Zone 4	

Lupinus x hybrida 'Gallery Blue' lupine	Features tall spires of blue flowers in late spring through early summer. Grows best in deep, rich soil, slightly on the acidic side, and in full sun or partial shade.	H 18-24" W 18-24" Zone 3	
Lupinus x hybrida 'Gallery Red' lupine	Features tall spires of red flowers in late spring through early summer. Grows best in deep, rich soil, slightly on the acidic side, and in full sun or partial shade.	H 18-23" W 18-23" Zone 3	
Lychnis 'Lipstick' Maltese Cross	Forms an upright clump of dark bronze foliage with tall stems in summer that bear large clusters of brilliant, red orange flowers. Flowers attract butterflies.	H 35-47" W 21-23" Zone 4	
Lysimachia nummularia 'Green Creeping Jenny'	This low-growing, creeping groundcover forms a leafy mat and thrives in moist soil. The leaves are rounded, slightly ruffled. Features cup-shaped flowers in the early summer.	H 2-4" W 12-18" Zone 3	
Lysimachia nummularia 'Yellow Creeping Jenny'	Forms a low mat of butter-yellow to lime-green leaves that bloom yellow flowers in late spring to summer. Excellent trailing addition to containers, great groundcover, and also an outstanding foliage accent.	H 2-4" W 12-18" Zone 3	

Mentha 'Chocolate Mint'	Unusual mint with narrow, pointed green leaves have a chocolate/peppermint-patty aroma and a slight brownish tint.	H 36" Zone 4	
Mentha x villosa 'Mojito Mint'	Mounds of aromatic green leaves with very distinct mint fragrance and flavor. Choice mint for mojitos.	H 32" Zone 3	
Mentha x piperita citrata 'Orange Mint'	Vigorous upright mound of large, puckered, green leaves with a wonderful orange-citrus aroma and flavor. Great in punches and teas or dried in potpourris. Spikes of purple flowers in summer.	H 18-24" Zone 4	
Mentha x piperita 'Peppermint'	Large dense mound of light green leaves having a distinct peppermint fragrance and flavor. Grows in most soils.	H 12-24" Zone 4	
Mentha x spicata 'Spearmint'	Dense mound of narrow, light green leaves with very distinct spearmint fragrance and flavor. Traditionally used for lamb sauce and julep. Grows in most soil types with ample moisture and full sun.	H 18-24" Zone 4	

Mentha suaveolens variegata 'Variegated Pineapple Mint'	Upright mound of variegated, light green leaves with white margins and pineapple aroma. Grows in most soil. Wonderful in hot or iced teas and attractive garnish.	H 15-18" Zone 4	
Mentha spp. Thai 'Thai Mint'	Tall, upright stalks of narrow, gray-green, scented leaves. Rose-colored flowers above the foliage. Great in oriental dishes. Will grow in most soils.	H 18-24" Zone 4	
Monarda 'Bee Free' bee balm	Short, compact plant that is covered with deep green foliage. Electric purple flowers with dark purple centers attract pollinators. Blooms early summer to late summer. Full sun to partial shade.	H 12-15'' W 10-12'' Zone 4	
Monarda 'Bee Happy' bee balm	Compact clump of deep green foliage covered in vibrant blooms that attract pollinators. Bears magenta red flowers with chocolate centers.	H 12-15" W 10-12" Zone 4	
Monarda 'Bee Pretty' bee balm	Lavender blue blooms with dusky gray centers.	H 15-18" W 20-24" Zone 3	

Monarda 'Cherry Pops' bee balm	Produces cherry-red flowers with light pink centers. Attracts hummingbirds, bees and butterflies. Grows in an upright clump. Blooms mid-summer. Easy to grow.	H 14-16" W 18" Zone 4	
Monarda 'Coral Reef' bee balm	An abundance of flowers in a unique shade of coral pink borne atop a clump of attractive, glossy, dark green foliage for several months in summer.	H 2-3' W 2-3' Zone 4	
Monarda 'Grand Parade' bee balm	Lavender purple flowers attract pollinators over the summer months. Forms a neatly compact, rounded mound of aromatic, deep green foliage that exhibits excellent resistance to powdery mildew.	H 12-18" W 16-20" Zone 3	
Myosotis sylvatica 'Forget-Me-Not'	Features velvety gray-green leaves and clusters of blue or white flowers with yellow eyes. Prefers cool weather, moist soil, and shaded areas.	H 6-12" W 6-12" Zone 3	

Nepeta 'Cat's Pajamas' catmint	Ball-shaped habit of long, dark flower stems with indigo blue blooms. Blooms from soil to the tips of the stems. Deer and rabbit resistant.	H 12-14" W 18-20" Zone 3	
Nepeta x faassenii 'Purrsian Blue' catmint	Naturally compact, rounded mound of aromatic, green foliage topped with periwinkle blue flowers.	H 14-18" W 18-30" Zone 3	
Nepeta grandiflora 'Summer Magic' catmint	Upright, well-branched habit and free-flowering tendency, blooming through the heat of summer. Large, deep lavender flowers clustered on dense spikes.	H 15-18" W 15-18" Zone 4	
Nepeta x faassenii 'Walker's Low' catmint	Gray-green, aromatic foliage on long, arching stems. Lavender blue flowers are produced over a long period in the summer.	H 24-36" W 30-36" Zone 4	
Oenothera missouriensis 'Ozark Sundrop'	Canary yellow, mildly fragrant, 3-inch-wide flowers. Dark green leaves. Following the blooms, 4-winged seed pods develop.	H 9-12" W 12-15" Zone 3	

Paeonia 'Alexander Fleming'	Large, bright pink flowers with a sweet fragrance that fade to a lighter pink toward the edges.	H 2-3' W 2-3' Zone 3	
Paeonia 'Bartzella'	Elegant flowers neatly spaced on the top and sides of sturdy clumps. Semi double to double pastel-yellow flowers have a small rose-purple flare in the center and a pronounced sweet fragrance.	H 30-36" W 30-36" Zone 4	
Paeonia 'Ben Franklin'	Produces lightly fragrant, deep-red double blossoms as other peonies are fading in early summer. Perfect for cut flowers.	H 24-36" W 24-36" Zone 3	
Paeonia 'Buckeye Belle'	Semi-double, velvety blossoms of dark red with large outer petals surrounding narrow inner petals. Blooms late spring to early summer. Reliable and vigorous in full sun or part shade and well-drained soil. Deer do not prefer.	H 18-24" W 24-36" Zone 2	
Paeonia 'Coral Charm'	Early blooming, deep coral buds open to form full, semi-double, smooth coral-peach balls of flowers. Against the deep green foliage, this color is very attractive. Winner of the American Peony Society's Gold Medal in 1986. Known for Exceptional Garden Performance.	H 28-36" W 24-36" Zone 3	

Paeonia 'Duchess de Nemours'	An heirloom variety. Large, very fragrant, double white flowers and sturdy stems. Large outer petals cup a dense, frilly center with a buttery yellow glow. Shrubby growth habit is useful in perennial or mixed borders.	H 36" W 24" Zone 3	
Paeonia 'Edulis Superba'	An heirloom variety. Wonderfully fragrant, double rose-pink blossoms. Excellent cut flower.	H 24-36" W 24-30" Zone 3	
Paeonia 'Felix Crousse'	Carmine red petals with a silvery sheen are produced in early summer. A fragrant, double variety. Great for cutting. Deer do not prefer.	H 28" W 18" Zone 3	
Paeonia 'Festiva Maxima'	Huge, double, snow-white blooms with an occasional pink tinge and crimson splash on bold upright stems in mid to late spring.	H 2-3' W 2-3' Zone 4	
Paeonia 'General MacMahon'	Large, double magenta to hot pink blooms. A mid to late-season bloomer is lovely massed in borders. Excellent cut flower.	H 2-3' W 2-3' Zone 3	

Paeonia lactiflora 'Kansas'	Features large, fragrant, fully double, deep reddish-pink flowers. Midseason bloomer. Easy to grow and great for cutting. Deer do not prefer.	H 32" W 20" Zone 3	
Paeonia lactiflora 'Karl Rosenfield'	Brilliant fuchsia-red blooms are a double, semi-rose type. Make wonderful, mildly fragrant cut flowers. Bloom from early to midsummer. Deer do not prefer.	H 34" W 24" Zone 3	
Paeonia 'Moon River'	Double-pink, large, finely formed deep cream with luminous pink blush, full-petaled flowers carried on short, slightly fragrant strong stems with dark green foliage.	H 28" W 22" Zone 3	
Paeonia 'Pink Hawaiian Coral'	Fragrant, rose-shaped, coral pink flowers with a soft, pleasing scent.	H 18-24" W 24-36" Zone 4	
Paeonia 'Red Charm'	Large, double, bomb-shaped blossoms full of intense crimson red petals. Strongly fragrant.	H 36" W 24-36" Zone 3	

Paeonia 'Red Magic'	Huge blooms made up of a mass of twisted, feathered, deep red petals that slim to a narrower shape and darken to a deep crimson as they near the center.	H 28-36" W 24-36" Zone 3	
Paeonia lactiflora 'Sarah Bernhardt'	Gigantic, double pink flowers bloom in early to midsummer. Deer do not prefer.	H 34" W 24" Zone 3	
Paeonia 'Shirley Temple'	Delightfully fragrant, double flowers open from soft pink buds into large, rose-shaped, pale blush-pink blossoms packed with loosely arranged ruffled petals gracefully fading to ivory white as they age.	H 32-36" W 22-24" Zone 3	
Paeonia lactiflora 'Sorbet'	Spectacular pink and white double blooms of this hybrid peony are as delectable as an elegant dessert. Dark, glossy foliage springs up to form a good-looking backdrop for the fragrant blossoms in early summer. The handsome foliage turns red in autumn.	H 28-36" W 24-36" Zone 3	
Paeonia tenuifolia 'Rubra Plena' Fern Leaf Peony	Double red flowers set against a backdrop of fernlike foliage. Blooms a couple of weeks earlier than other peonies, in late spring. A permanent sunny or partly shady spot with well-drained soil is ideal. Deer do not prefer.	H 18-24" W 15" Zone 4	

Papaver orientalis 'Beauty of Livermere' poppy	One of the finest reds available. Its petals have a satiny texture. Flower can measure 4-6 inches across.	H 30" W 18-24" Zone 3	
Papaver orientalis 'Coral Reef' poppy	Large, delicate coral blooms. Fern-like foliage.	H 26-32" W 18-24" Zone 3	
Papaver orientalis 'Crimson Red' poppy	The classic oriental poppy. Vivid red petals surround a black center. Early season. Deer and rabbit resistant, this cold-hardy, long-lived perennial is perfect for worry-free gardening.	H 24-30" W 18-24" Zone 4	
Papaver orientalis 'Dwarf Allegro' poppy	Features large 4-6-inch solitary, crepe papery, orange-red cup-shaped flowers on long stalks late spring to early summer.	H 1' W 1' Zone 3	
Papaver orientalis 'May Queen' poppy	Large, soft orange, double flowers bloom from pendant, silvery buds.	H 30" W 20" Zone 3	

Papaver orientalis 'Patty's Plum' poppy	A very unusual, soft-plum flower with dark blotches at the base. Late spring to early summer.	H 2-3' W 1-2' Zone 3	
Papaver orientalis 'Queen Alexandra' oriental poppy	Bright salmon-pink blooms with smooth, rounded petals from late spring to early summer. Flowers measure 4-5 inches.	H 30" W 18-24" Zone 3	
Papaver nudicaule 'Woodland Mix' poppy	Dramatic colored tissue-like orange, pink, white and yellow blooms on soft stems bloom in late spring.	H 10" W 8-10" Zone 3	
Penstemon 'Black Beard'	This hardy perennial is named after the famous pirate because of its dark foliage. The dark purple stems hold lilac purple flowers up, and dark burgundy pods appear after the flowers are spent.	H 28-32" W 24" Zone 4	
Penstemon Pikes Peak Purple®	Tall, vibrant spikes of grape-colored, nectar-rich flowers bloom through summer.	H 1-3' W 2-3' Zone 4	

Penstemon x Mexicali 'Red Rocks'	A cross between Mexican and native penstemon. Sports bright, magenta flowers all summer with dark green leaves above a mound of foliage. Very long blooming. Drought tolerant.	H 12-18" W 10-12" Zone 4	
Perovskia atriplicifolia Blue Jean Baby	Early bloomer with large spikes of lavender blue flowers on bushy grey green foliage. Attracts pollinators.	H 28-34" W 36" Zone 4	
Perovskia artiplicifolia 'Russian Sage'	Bushy, woody perennial with long terminal panicles of small lavender-blue blowers borne on thick white stems clad with finely dissected, aromatic, gray-green leaves. Very hardy and tolerant.	H 3-4' W 3-4' Zone 4	
Phlox paniculata 'Bright Eyes Phlox'	Reliable bloomer with panicles of fragrant, soft pink flowers adorned with a prominent crimson eye. Blooms mid to late summer. Attracts hummingbirds and butterflies.	H 36" W 18-24" Zone 4	Phlox paniculata 'Candy Store Bubblegum Pink'	Fragrant, hot pink blossoms with white touches and darker centers. Upright flower clusters on sturdy stems with clean leaves. Strong mildew resistance.	H 18-24" W 12-18" Zone 3	

Phlox paniculata 'Candy Store Coral Crème Drop'	Fragrant, rose-coral flowers with white and deep pink accents. Blooms in early summer until fall. A vigorous, disease-resistant choice for borders, rock gardens, beds, and meadows.	H 18-24" W 12-18" Zone 3	
Phlox paniculata 'Laura' tall garden phlox	Large clusters of fuchsia flowers with starry white centers. Resistant to powdery mildew. Blooms mid-summer to late fall. Full sun.	H 24-30'' W 24-36'' Zone 3-8	
Phlox paniculata 'Opening Act Ultra Pink'	Produces fluorescent, rose-pink flowers above dark-green, glossy, disease-resistant foliage.	H 22-28" W 32-36" Zone 4	
Phlox paniculata 'Red Riding Hood'	Fragrant, cherry-red from mid through late summer. A compact variety that attracts butterflies and hummingbirds.	H 18-24" W 16-20" Zone 3	
Phlox procumbens 'Creeping Candy Stripe Phlox'	Masses of candy-pink- and white-striped blooms in mid to late spring. The flowers blanket the dark green, glossy foliage that forms a lovely cushion. Drought tolerant and deer resistant. A perennial groundcover to spill down banks and lend color for hard-to-manage areas.	H 2-4" W 10-14" Zone 2	

Phlox subulata 'Emerald Blue Phlox' creeping phlox	Masses of pale lavender-blue flowers blanket dark green, glossy foliage mid to late spring.	H 4-6" W 2' Zone 2	
Phlox subulata 'Emerald Pink Phlox' creeping phlox	Masses of starry, hot pink flowers over dark green, needle-like foliage mid to late spring.	H 4-6" W 1-2' Zone 2	
Phlox subulata 'Snowflake' creeping phlox	Masses of large, pure white flowers blanketing dark green, needle-like foliage mid to late spring.	H 4-6" W 2' Zone 2	
Platycodon grandiflorus 'Astra Double Blue' balloon flower	Interesting balloon-like buds burst open into bell-shaped flowers. Exceptional branching and thick flower petals make for long-lasting, periwinkle blue blossoms. Compact, uniform habit.	H 8-10" W 6-8" Zone 3	
Polemonium caeruleum 'Brise d-Anjou' variegated Jacob's Ladder	First-class foliage plant with variegated green and creamy-white leaves. Violet-blue flowers bloom on short stems in early summer. Prefers part shade with protection from hot afternoon sun.	H 18-24" W 12-15" Zone 3	

Rheum palmatum var. *tanguticum* ornamental rhubarb	Has large, pointy-edged leaves tinged with bronzy-red in spring, later becoming green. Spikes of flowers tower overhead in summer, in shades of pink to red. Must have a rich, moist site to perform best.	H 40” W 40” Zone 3	
Rudbeckia ‘American Gold Rush’	Uniform, mounded plan with narrow, hairy foliage and a dome of gold blossoms.	H 18-22” W 24-36” Zone 4	
Rudbeckia fulgida ‘Goldstrum’	Golden-yellow, daisy-like flowers have a distinct, dark-brown central cone. Sturdy, upright habit. Long blooming.	H 24-36” W 18-24” Zone 4	
Salvia nemorosa ‘Blue by You’	Early bloom time, prolific, deep violet-blue flower spikes. Cut back after flowering.	H 16-22” W 18-22” Zone 4	
Salvia nemorosa ‘Blue Marvel’	Forms a bushy clump of gray-green leaves with upright, bright blue flower spikes appearing from late spring until fall. Attractive to butterflies and hummingbirds.	H 10-12” W 10-12” Zone 4	

Salvia nemorosa 'May Night'	Large, blue-violet flower spikes appear in May and June over wide-leaved foliage. Likes moist, fast-draining soil.	H 18" W 18" Zone 4	
Salvia nemorosa 'Rose Marvel'	Bright rose flower spikes stay in bloom longer than other varieties and rebloom when deadheaded.	H 10-12" W 10-12" Zone 4	
Saponaria ocymoides 'Soapwort'	Forms a nice patch of semi-evergreen foliage that works well as a filler between stones on a path. Small, bright pink flowers appear prolifically in early summer.	H 6-8" W 12-24" Zone 2	
Scabiosa 'Fama Deep Blue Pincushion Flower'	Clump-forming perennial with huge, pincushion-like, deep blue ruffled flowers from early to late summer. Attracts butterflies.	H 18-24" W 12-18" Zone 4	
Sedum 'Autumn Joy'	Large, flat, bronze flower clusters in July through September. Use for borders and cuttings. Plant in full sun but can tolerate light shade.	H 12-18" W 6-8" Zone 2	

Sedum ellacombianum 'Cutting Edge'	Bright, butter-yellow edges with hints of pink in spring. Yellow-edged, bright green foliage on mounding plants.	H 6-8" W 6-8" Zone 3	
Sedum takesimensis 'Atlantis'	Leaves have a central green stripe with classy white tracing around serrated leaves topped by yellow flowers in bloom. Mounding, slightly weeping habit when mature. Drought tolerant.	H 6" W 6-12" Zone 4	
Sedum spurium 'Dragon's Blood'	Neon red flowers over bronze-tinged green foliage in July. Turns glowing scarlet-bronze in autumn with heads of radiant red flowers. Great used as ground cover.	H 6" W 6" Zone 3	
Sedum 'Firecracker'	Rich blanket of burgundy red all summer long.	H 6" W 18" Zone 4	
Sedum 'Little Miss Sunshine'	Great groundcover that forms mounds of dark green, glossy foliage, covered with tiny yellow flowers. Slowly spreading, remains tidy in a compact size. Drought tolerant.	H 6-8" W 6-8" Zone 3	

Sedum 'Lime Zinger'	A very hardy succulent ground cover with fantastic lime-green leaves edged in bright cherry-red and disease-free foliage. Drought resistant. Blooms late summer into fall. Full sun.	H 4-6" W 18" Zone 4	
Sedum Rock 'N Grow® 'Back in Black'	Deep purple, almost black foliage. Cream flowers with red centers bloom late summer through early fall. Drought tolerant. Does best in full sun, average soil.	H 18-24" W 3' Zone 3	
Sedum Rock 'N Grow® 'Boogie Woogie'	Bright yellow flowers bloom over bright, variegated, green-and-cream foliage. Full sun. Drought tolerant.	H 6-8" W 16-18" Zone 3	
Sedum Rock 'N Around® 'Superstar'	The star of your late summer garden. Dark turquoise foliage forms a dense, compact, mounded habit. Rosy, pink flowers.	H 10-12" W 16-20" Zone 3	
Sempervivum 'Hardy Species Mix'	Mixed colors, ideal for rock gardens, pots, alpine beds, and other dry areas.	H 6" W 6" Zone 3	

Sempervivum 'Jade Rose'	Two-toned variety of overlapping rosettes with fuzzy-tipped, jade-green outer petals surrounding rose-burgundy centers.	H 2-4" W 2-4" Zone 3	
Sempervivum 'Ruby Heart Hen & Chicks'	This selection forms sharply pointed rosettes with a ruby-red color in the center and blue green on the tips. In cold temperatures, the color intensifies. Best when planted in the cracks or crevices of stone. Pinkish-purple flowers appear in the midsummer.	H 3-4" W 6-8" Zone 3	
Stachys 'Silky Fleece Lamb's Ear'	Thick, soft, velvety, silver-gray leaves form a rapidly spreading mat.	H 1' W 1' Zone 4B	
Thymus x citroidorus 'Lemon Thyme'	Tiny-leaved groundcover with wonderful lemon-citrus fragrance and flavor. Excellent with poultry and fish.	H 9-12" W 12-18" Zone 4	
Thymus praecox 'Coccineus' red creeping thyme	A sun-loving herb valued as an ornamental groundcover. Forms a dense, flat mat of evergreen, dark green leaves that are smothered in fragrant, bright magenta-red flowers. Bronze foliage in fall.	H 6" W 12-20" Zone 2	

Trollius x cultorum 'Lemon Queen' globeflower	Lemon-yellow double flowers that burst into color in late spring and early summer. Compact habit. Grows well in a sunny or part-shaded border in average or moist soil.	H 24-36" W 18-24" Zone 2	
Veronica 'Red Fox'	Rose-red flowers with narrow spikes from July to September. Popular border plant.	H 12-18" W 15" Zone 2	
Veronica longifolia 'Royal Rembrandt' and 'Royal Candles'	Paintbrush-like flowers and healthy foliage. Violet purple flowers cover the top half of the plant, showcasing its dark green foliage. Additional blooming power later in the season if the flowers are sheared back.	H 18-20" W 18-20" Zone 4	
Vinca minor 'Bowles' creeping periwinkle	Evergreen, mat-forming perennial with glossy, dark green leaves and violet blue flowers from mid spring to early summer.	H 4-6" W 12-18" Zone 4
